### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: The closest prior art is Hitomi et al. However, Hitomi et al does not teach supercharging execution-judging means for judging, based on the detected operating conditions of the engine, whether or not the supercharging by said supercharging means should be executed so as to cause self-ignition; and supercharging control means for causing said supercharging means to supercharge the fresh air flowing to the combustion chamber when it is judged by said supercharging execution-judging means that the supercharging should be executed as recited by applicant, nor would it be obvious to provide Hitomi et al with such.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Sheldon J Richter whose telephone number is (703) 305-0475. The examiner can normally be reached on M-F 9:30-5:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Thomas Denion can be reached on (703) 308-2623. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
